

## First edition of Scapino Summer Creative

**From July 8 until July 19 the first edition of Scapino Summer Creative will take place. During two weeks (pre)professional contemporary dancers can participate in an intensive program in the studio's of the oldest dance company of The Netherlands, Scapino Ballet Rotterdam. The program contains ballet classes, repertoire workshops and masterclasses.**

The Scapino Summer Creative offers an inspiring program in which the company's unique technique and repertoire are in the lead. Dancers will be challenged to develop their creative talents, to co-create and to show their identity. They will work with our international artistic team of choreographers, teachers and dancers. Scapino Summer Creative is under supervision of artistic director Ed Wubbe.

### Scapino Ballet Rotterdam

Founded in 1945, Scapino is the oldest dance company in The Netherlands as well as the official dance company of the city of Rotterdam. Scapino creates its own repertoire with renowned and upcoming choreographers and has been an important stepping stone for choreographers such as Marco Goecke, Nanine Linning and Annabelle Lopez Ochoa.
